What's new for Beartown Bus Network?

From Monday 15 April 2013 we are re-launching the ***Beartown Bus Network***. This remains a wholly commercial venture by bakerbus and we thank you for your support

From this date, Bromley will once again have its own dedicated ***Beartown*** bus service, (number 90). On Saturdays, service 93 will once again serve West Heath and service 76 will operate independently.

There are some changes to early morning and evening journeys and a few, that were little used, will no longer operate, so please check individual journey times. We are also providing direct journeys between Mossley and Congleton High School and Eaton Bank School.

Service 95 still serves Congleton Retail Park, Tesco 's store and Lower Heath, hourly Monday to Saturday. Service 99 remains part of the ***Beartown Bus Network*** serving Buglawton, Congleton Railway Station and Congleton Road, Mossley. Fares within Congleton are the same on all our bus services and our **10% discount card** also applies, (please see separate panel in this leaflet).

This free bus guide is part of our wide range of publicity for our local bus services to show just how easy it is to get around North Staffordshire and South and East Cheshire by bakerbus.

If you have a car, why not consider leaving it at home more often and travel with us? No parking fuss, parking fees or fines!

bakerbus is a division of Bakers Coaches of Biddulph, a family business first established in 1936, with a reputation for quality service.
