What's new?

From Monday 18 May 2009 there are many improvements but most of the previous bus times are unchanged. The exception is that there is a new hourly **service 99B** on Mondays to Fridays serving, in Biddulph, Victoria Business Park, (The Coach Travel Centre), Conway Road, Thames Drive and Pennine Way, providing new links with Congleton and Macclesfield. An hourly service will also continue via Gillow Heath in both directions. There will also be new journeys to and from Congleton Station, also serving Brown Lees, connecting with commuter trains for Manchester and Birmingham on Mondays to Fridays. In the daytime, there will also be extra journeys to and from Congleton and Macclesfield, providing buses every half hour during the off-peak period. There are good connections in Biddulph with our ***Nines*** service to/from Hanley, to/from Tunstall, Wolstanton and Newcastle (services 94/94A), and to/from Leek (services 423/424). When boarding, just tell our friendly drivers that you wish to make connecting journeys. We also hope to introduce more easy access, low floor buses in the not too distant future because we know this is important too.

99/99A/99B will now be known as ***The Pennine Way - the scenic route*** to reflect the beautiful countryside along the route between Biddulph Moor and Bosley - the gentle beginnings of the mighty Pennines, also passing Biddulph Grange Gardens and Country Park, The Cloud and canal side walks. There are also opportunities for shopping and museum visits in Congleton and Macclesfield.

So why not take a trip very soon?

Finally, we have no plans to increase our bus fares. In these difficult times we understand how important it is to continue to offer our bargain fares. Please check out the back cover of this leaflet for more information.
